PARAM AGRO INDUSTRIES (Regd.)

## PARAM AGRO INDUSTRIES :

Param Agro Industries was incepted in the year 1971 at Dhuri, Distt. Sangrur, Punjab. Under the spirited headship of our esteemed Father S. Inder Singh, the company has established itself as a pioneer organization. PARAM AGRO INDUSTRIES was established by S. Lakhwinder Singh Nanreh, S. Tejinder Singh Nanreh & S. Preetpal Singh Nanreh & now our next generation S. Harcharn Singh & S. Isher Singh has also joined this venture with a vision to produce the high quality Agriculture Implements, Gears, Rotavator Kit & Complete Rotavator Assembling at the most competitive and economical ground at most competitive price on long run basis. Today with the grace of Almighty, committed team work, we have equipped our self with modern facilities to meet the demands.

## Quality Policy ➤

We make our products available with an assurance of top quality as well as standard. We are governed with a quality control policy according to which our products have to go through a number of check ups to ensure their high standards. Besides, a regular up gradation of these products are also done in compliance to our policy.

## Our Team

We have enlisted highly skilled team of professionals who are considered as the crucial asset of our organization and help us to offer all the products in accordance with the international set norms. Our skilled professionals enable us to get the remarkable position in the particular sphere. Different aspects of the production process, maintenance, quality control and servicing is handled by our adept team of professionals. All members of our proficient squad work in close synchronization to accomplish the variegated requirements of the industry. Additionally, our workforce is able to complete the urgent orders of patrons within the assigned time.
